DR. ATTIAS NOT GUILTY

Greek Medico Discharged and Sees Leon Skliris Arrested in the Same Court.

Dr. P. G. P. Attias was yesterday found not guilty by Judge C. B. Dient of vio-lating the state medical law against practicing medicine without a license from the board of medical examiners. Immediately upon Dr. Attias' acquittal, Leonidas the Greek interpreter, was arrested on a warrant charging him with rested on a warrant charging him with violating the license law in that he is conducting an employment agency without a license. The warrant was sworn to by License Inspector John Halverson. Mr. Skliris, who was instrumental in the prosecution of Dr. Attias, entered a plea of not guilty to the charge at 2 p. m. yesterday. An indefinite postponement was taken for examination. The defendant in the latest action said before pleading that he ran no employment agency. in any sense of the word. He claims to act solely in the capacity of interpreter to the Greek laborers in Salt Lake county and says he is paid for this alone.

In discharging Dr. Attias, the court briefly reviewed the testimony, finding several instances of contradiction. The date on the bottle of medicine which, it was alleged Dr. Attias had prescribed for John Touloukis bore a date nearly two weeks in variance with the date on which Touloukis testified he had obtained it.

The charge against Leonidas Skliris is the latest turn in a Greek-Greek fight which bagan when Dr. Attias urged upon his countrymen the necessity of joining the Western Federation of Miners in preference to obtaining whatever service they reeded either directly or indirectly of their comployers through Mr. Skliris. reeded either diretly or indirect employers through Mr. Skliris.
